PLEASE

DO NOT LEND YOUR VERNON DIRECTORY. IT COSTS YOU MONEY EVERY TIME YOU DO.

The practice of lending your Vernon Directory is, in great measure, responsible for the increasing cost of Directory Service.

THE REASON IS:

There is a definite cost involved in the making of the Directory of your city.

This cost must be absorbed by the subscribers—be it one, or be they 1,000.

If there were but one subscriber to the Vernon Directory, the one subscriber would of necessity have to absorb the whole cost.

If there were 100 subscribers, each one would have to absorb 1/100th part of the whole cost.

If there were 1,000 subscribers, each one would have to absorb 1/1000th part of the whole cost.

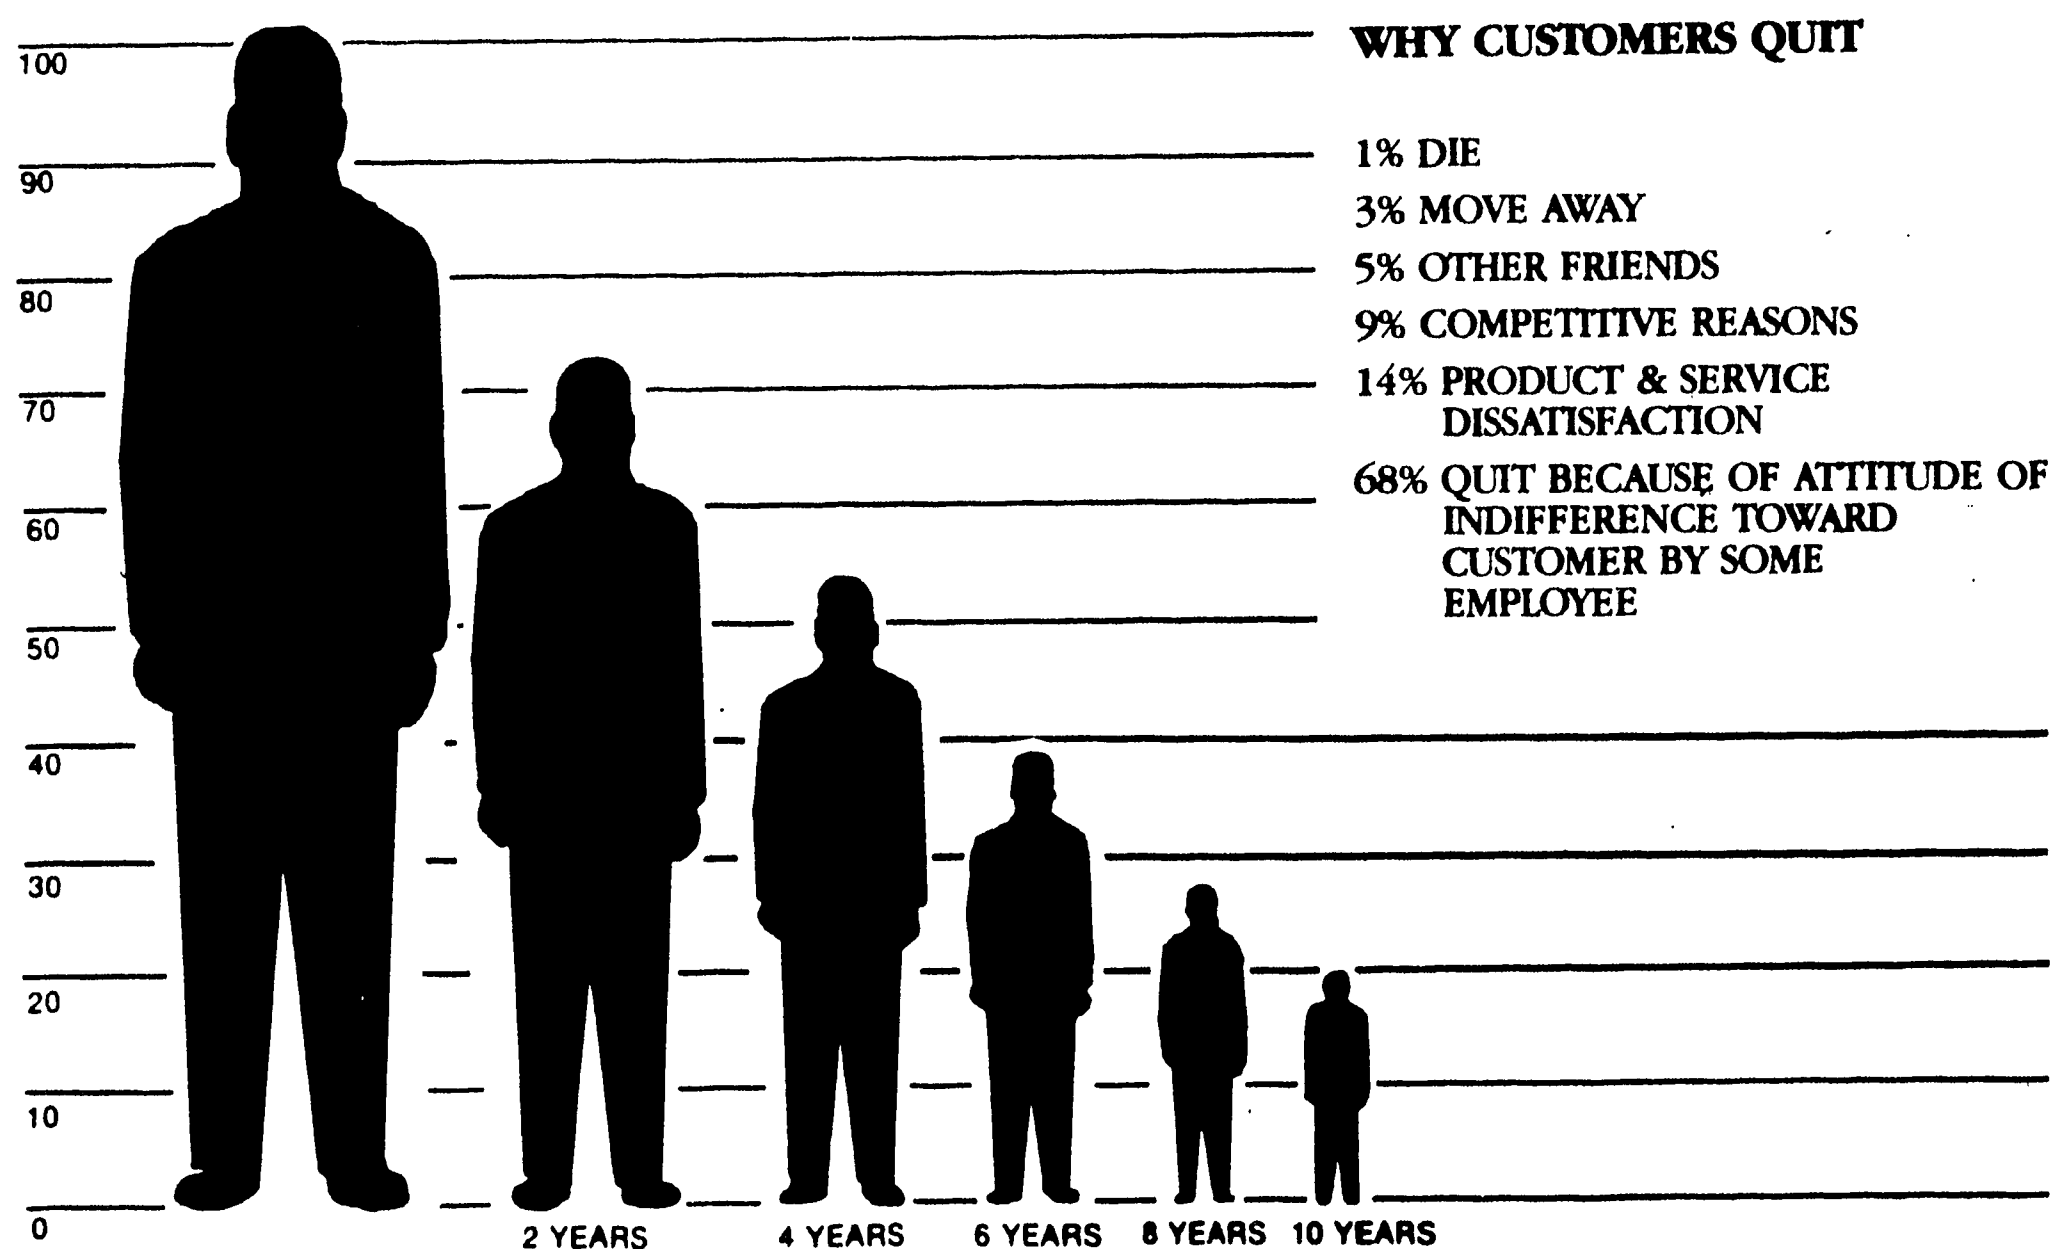

It is obvious that the greater the number of subscribers the lesser the burden of cost to each. It is also obvious that the lesser the number of subscribers, the greater the burden of cost is to each.

Every time you lend your Vernon Directory you decrease the necessity for the borrower to subscribe to the service.

MORE BORROWERS RESULT IN FEWER SUBSCRIBERS WHICH MEANS INCREASED COST.

LET YOUR VERNON DIRECTORY HELP YOU KEEP PRESENT CUSTOMERS — FIND NEW CUSTOMERS, TOO!

HOW MANY CUSTOMERS ARE LOST YEARLY?

National averages show that 15% of customers are lost each year. In 10 years, 81 out of every 100 customers will drift away.

VERNON DIRECTORIES HELP BUSINESSES FIND BUSINESS EVERY BUSINESS DAY OF THE YEAR!

GET MORE BUSINESS WHERE THE ACTION IS WITH THE EXTRA SPENDING RECENT MOVERS IN YOUR AREA.

Someone who has just changed addresses has a sudden and serious problem of far above average NEED for his home and family. The only solution to the problem is to spend one's way out of it. Reach movers at this important time in your sales or advertising message and you get RESPONSE. You get ACTION. You get MORE BUSINESS — plus a valuable new customer who may stay with you for a long time.

RECENT MOVERS BUY MORE OF EVERYTHING FOR CHILDREN. They are younger parents, with more children, younger children, more need wherever they are for all the products and services it takes to keep children fed, clothed, sheltered, educated, and healthy. A move into your area often temporarily increases the need for many of these goods and services. Children are where the action is.

RECENT MOVERS BUY MORE OF EVERYTHING FOR THE HOME. A new house is a different house. It is often larger than the home the family left behind them. Paint, insurance, garden hose, furniture, appliances, carpeting, drapes, lawn mowers, grass seed, screens, a second car, and a hefty bank loan to pay for all of it are just some of the things the recent mover needs almost all at once to bring the new home to the standard previously set for the family. Recent movers buy almost 50% more of these items than the average family. New homes are where the action is.

RECENT MOVERS BUY MORE OF EVERYTHING THEY BUY ON CREDIT. Temporarily, at least, the recent movers' needs usually exceed the ability to pay cash. The only choice is to buy now and pay later. Present above-normal requirements force movers to fill their present needs out of future income. With the recent mover, CREDIT is where the action is.
